Upon receiving your registration form we will send you a confirmation email with a link to classroom activities. Approximately three weeks before your visit, we will send you a packet with parking passes, classroom activities, teacher resources, background information and a Park newspaper.

\*\* Number of students may be revised up to 2 weeks before field trip in order to change the total due. Ideally, we want groups of 60 that can be divided into rotations of 20 students. The minimum # of students is 20 (or a fee for 20 applies) per rotation. Groups less than 60 may be divided into 2 rotations, if necessary. Our max number is 75-90, so for larger groups we will need to make special arrangements.

The cost is \$4.00/student in March, and \$6.00 in April, May and June. Adults & parking are free. Half of the fee or a purchase order is due with the registration form, and the balance is due upon arrival. Please make checks payable to Friends of Historic Champoeg.
